

Executive Certificate in AI for Supply Chain Management

# Optimization Algorithms For Inventory Control

```
mindmap
  root((Optimization Algorithms For Inventory Control))
    Inventory Control
      Stock Management
      Cost Minimization
    Optimization Models
      Linear Programming
      Dynamic Programming
    AI Integration
      Machine Learning
      Data Analytics
    Supply Chain
      Logistics Management
      Demand Forecasting
```
