

Postgraduate Certificate in Subsea Engineering (Advanced)

# Advanced Subsea Systems Design

mindmap

```
root((Advanced Subsea Systems Design))
  Subsea Systems
    System Design
    Material Selection
  Subsea Production
    Riser Design
    Flowline
  Subsea Installation
    ROV Use
    AUV
  Subsea Engineering
    Risk Analysis
    Cost Effective
```
