

Advanced Skill Certificate in Documentation Control (Part II)

## Why the Global Market is Paying a Premium for This Skill Set

---

Source: McKinsey Global Institute, World Economic Forum, OECD (2026)

Trend Driver | Why It Matters | Global Source

Digital transformation of supply chains | Companies invest heavily in compliance automation to avoid regulatory penalties, creating premium salaries for certified documentation controllers | World Economic Forum

Escalating ESG reporting and sustainability standards | Organizations need certified experts to manage complex documentation for carbon accounting, driving worldwide demand | McKinsey Global Institute  
AI-driven contract lifecycle management adoption | Skilled documentation controllers are essential to train and oversee AI models, raising the skill premium | OECD
